

# Eternia

Where Space Breathes and Legacies Bloom  
Inspired by the Anthurium – A Symbol of Timeless Grace.

Eternia is more than a residence,  
It's a living legacy.

# Welcome to Eternia

Spacious Residences For Grand Living

Inspired by the Anthurium flower, a symbol of eternal life and resilience, Eternia stands proudly in one of Greater Noida West's most coveted locations. This non-congested enclave offers uninterrupted views, seamless connectivity, and a thoughtfully planned environment. With efficient layouts, premium finishes, and expansive living spaces, Eternia redefines modern luxury—where elegance meets endurance, and design meets purpose.

# Our Partners

Trusted Titans, Timeless Triumphs

Vastunidhi (VNA) is a Noida-based architectural design consultancy with over 36 years of experience, delivering high-quality design services in various sectors across India. The firm has worked on several prestigious projects, including the Housing for AIIMS, Delhi, and Residences for the Reserve Bank of India, Mumbai. Other notable projects include CRC The Flagship, Noida; Assotech Business Cresterra, Noida; RPS Savana, Faridabad; and IIT Bhubaneswar. With expertise in master planning, architecture, and interior design, Vastunidhi focuses on creating sustainable, efficient, and community-focused spaces. Vastunidhi's portfolio exemplifies a steadfast commitment to designing spaces that not only foster economic growth and social well-being but also prioritise environmental responsibility, ensuring lasting impact for communities and future generations.

Renowned as a dominant force in the construction sector, NBCC (India) Ltd. stands out for its exceptional capabilities, innovative mindset, commitment to top-quality standards, timely project delivery, and a dedicated workforce. As a Navratna CPSE under the Ministry of Housing & Urban Affairs, NBCC has consistently demonstrated its leadership in executing large-scale infrastructure projects across India and abroad. The company's expertise spans Project Management Consultancy (PMC), Engineering, Procurement & Construction (EPC), and Real Estate Development, allowing it to offer comprehensive solutions tailored to diverse client needs.

Dee Vee Projects Limited (DVPL), established in 1989, is a powerhouse in India's infrastructure and construction sector, specializing in high-quality civil engineering and large-scale projects. With a proven track record, DVPL has successfully completed major projects such as Talcher Fertilizers Limited, IIM Sambalpur, CARO Complex in Hyderabad, and the All India Institute of Ayurveda in Goa. Known for its expertise and commitment to excellence, DVPL delivers innovative, sustainable infrastructure that drives national growth and development.

Established in 1970, Great Value Realty (GVR) began as a leader in the glassware industry, quickly gaining prominence in packaging by 1990. Built on a foundation of trust and exceptional value, GVR has consistently evolved to meet changing market demands while fostering enduring client relationships. In 2001, GVR expanded its portfolio into the food processing sector and advanced technology solutions, pioneering initiatives such as E-Gram Samiti, E-Check Posts, E-Land Records, and E-Water Systems.

These advancements underscore GVR's commitment to innovation and impactful solutions that drive progress. By 2009, GVR made a strategic foray into real estate, delivering landmark projects such as the Great Value Mall in Aligarh. The company's residential ventures, including Sharanam, Anandam, Vilasa, Casa Uday, and Centuray 105, exemplify its dedication to quality, trust, and creating meaningful living experiences. With a vision for excellence and a commitment to shaping the future, GVR continues to forge strategic partnerships and develop pioneering solutions across industries, solidifying its reputation as a trusted leader in innovation and real estate.
